#### PRIVATE BILL APPLICATION

Notice is hereby given that an application will be made by the **City of Vancouver** to the First Session, Thirty-fourth Parliament of the Legislative Assembly of the Province of British Columbia, for an Act to amend the *Vancouver Charter* to provide for the following matters:

1. An amendment to section 182 — this will make it clear that Council has the power to indemnify any non-profit organization which is assisting the City.

2. An amendment to section 212 — this is a housekeeping amendment to repeal the provisions that the Director of Finance shall control and supervise the City Hall and other City buildings. This is not now, and has not been the case for some time.

3. An amendment to section 248 — this will remove the requirement that all debentures must bear at least one signature. The last European issue required 30,000 signatures. Modern technology can obviate this onerous duty and still protect our security. The addition of subsection (3) is to give more security to the purchasers of our debentures.

4. An amendment to section 258 — this would remove the requirement that the proceeds of debentures shall be kept in a separate bank account.

5. An amendment to section 272 — this was requested by the Race Relations Committee and will greatly expand Council's powers in prohibiting various forms of discrimination.
